

## LDG8000S

### Feature:

- \* New material optimized  $\Phi$  190 alternator, better performance than general  $\Phi$ 204 alternator in the market.
- \* Canopy designed with three access doors, easy for operation and maintenance
- \* Minimal vibration and smooth running
- \* Well satisfy the demands of higher power, lower cost and environmental protection.

### Specification:

|                           |             |
|---------------------------|-------------|
| Model                     | LDG8000S    |
| Voltage(V)                | 110-240     |
| Frequency(Hz)             | 50/60       |
| Rate.AC output(kW)        | 6.0/6.5     |
| Max.AC output(kW)         | 6.5/7.0     |
| Power Factor cos $\phi$   | 1           |
| DC output(V/A)            | 12/6        |
| Engine model              | LA192FAG    |
| Starting system           | Electric    |
| Displacement(cc)          | 499         |
| Engine speed(rpm)         | 3000/3600   |
| Engine power(kw)          | 6.9/7.6     |
| Lube oil capacity(L)      | 1.65        |
| Fuel tank capacity(L)     | 25          |
| Fuel consumption(g/kW h)  | $\leq$ 340  |
| Noise(7 meters away)dB(A) | $\leq$ 71   |
| Dimension(L×W×H)(mm)      | 960x560x710 |
| Net weight(recoil)(kg)    | 164         |
